**The District reserves the right to adjourn into executive session at any time during the course of this meeting to discuss any of the matters listed above, as authorized by Texas Government Code, Section 551.071 (Consultation with Attorney), Section 551.072 (Deliberations about Real Property), Section 551.073 (Deliberations about Gifts and Donations), Section 551.074 (Personnel Matters), Section 551.076 (Deliberations about Security Devices), Section 551.087 (Economic Development), and other matters as allowed by law.*

In response to Senate Bill 554 of the 85th Legislative Session, further amending Texas Water Code §49.063, the District is providing the following petition process description: After at least fifty (50) qualified electors are residing in a district, on written request of at least five (5) of those electors, the Board shall designate a meeting place and hold meetings within the District. If no suitable meeting place exists inside the District, the Board may designate a meeting place that is located not further than 10 miles from the boundary of the District. On the failure, after a request is made under Texas Water Code §49.062(c), of the Board to designate the location of the meeting place within the District or not further than 10 miles from the boundary of the District, five (5) electors may petition the Texas Commission on Environmental Quality ("TCEQ") to designate a location. If it determines that the meeting place used by the District deprives the residents of a reasonable opportunity to attend district meetings, the TCEQ shall designate a meeting place inside or outside the District which is reasonably available to the public and require that the meetings be held at such place.
